

Dear Tucson J Members,

By now, you've probably heard the news that Governor Ducey has extended his closure of bars, gyms, and theaters into August. While we are disappointed that our fitness center will remain closed for the time being, we are so grateful for the support that we have had from the community. We are committed to putting your health and safety first, and to creating new ways for you to enjoy our facility while staying physically distant.

In fact, we've received recognition for our leadership in creating innovative re-opening policies. If you haven't seen the recent press coverage on KVOA, KGUN, and KOLD about our practices, all three stories can be found [here](#).

AUGUST MEMBERSHIP DUES

Because our fitness center is closed, **members will automatically receive 70% off of their August dues**. Your dues allow us to expand our existing wellness offerings, detailed below. **Paid-in-Full and Part-Year members** will automatically receive a 1 month extension on your memberships.

Members who wish to place their accounts on a temporary hold must inform us by 8 pm on Thursday, July 30 in order to avoid billing for August. If you would like to be placed on hold, [click here to send a templated email](#).

HOW TO SUPPORT THE J

The J is a locally-owned 501(c)3 nonprofit, and your support is an investment in the future of Tucson's economy and our collective wellness. When you donate to our COVID-19 relief efforts, you also help us continue to provide essential services like early childhood education, remote learning support for school-age kids, and care to young adults with physical and cognitive disabilities.

- **Monthly Fee-Based Members:** You can choose to convert the remaining 70% of your membership dues into a tax-deductible donation. If you are able to donate, [click here to send a templated email](#).
- **Paid-in-Full and Part-Year members:** for tax purposes, your dues cannot be converted into a donation, but you can donate to our COVID-19 relief fund by clicking the button below.
- **If your membership is paid for by your health insurance**, we may not be receiving payment from your insurance company while we are closed. Consider making a donation to show your support by clicking the button below.

If the Governor lifts the closure of our fitness center during August, we plan to resume operations and we will notify you of any additional dues payments for the month.

If you have any questions or concerns, please email Monica Rosenbaum, Director of Member Relations, at mrosenbaum@tucsonjcc.org.
